# Our Bond of Faith

Given by Glenn Clark to the Camps Farthest Out

We take as our Source and Center the leadership of Jesus Christ.

We accept as our law of conduct and the source of our energy the two Great Commandments that He gave us upon which rest all the law and the prophets.

Our Constitution of Conduct shall be woven out of The Sermon on the Mount.

We recognize that this Way of Life can be learned as a Science and practiced as an Art, but not until it is experienced in the form of Spiritual Rebirth can its full Power be released upon earth.

EVERYTHING about our union together and our basis for working together shall be as fluid as the sea and as free as the air. Christ and all He represents is central; everything else is marginal.

*With this bond of faith to unite us, one in impact but not in compact, with union in Christ and freedom in action, moving as an organism and not as an organization, we hope to unify and strengthen the deeper spiritual forces of the nation and the world that are working to save mankind in this age of crises.*
