A Dream Fulfilled ...

"For years, I had been so blessed by the CFO Peru because of the immense participation of the Grass roots community. I dreamed that God would give us an opportunity to bring CFOI Philippines also to the basic masses, the poor community. Indeed that dream has come true: Our camp in Bukidnon became a tri-camp of Aaron and Olivet who opened their hearts to host 30 youth from Kibungkog, a mountainous community where Military and Rebel groups have constant encounters. Each youth brought 7 cups of rice and walked 15 km (4 hours) to the camp. Blessings abounded both for the established CFOers who came thinking that they would be a blessing for the youth and for the youth who found a safe place in the family of God. Miracles Indeed Happened.

Goel Bagundol, RVP East Asia

Youth shared: *'here in this camp, we found new tatay (Daddy) and nanay (mommy) who truly cared for us. We found a family that gave us an idea that we too are part of the great international family of God.'*"

Empowering Team Work

The call to YOU from Luka Kiprono, New President for CFOI

- Every day, in some way, we are part of a team.
- Team work is and always has been essential to building ministries.
- One person cannot do anything of real value alone. You are needed.

WOW! A Matching Grant Will Double Any Gift You Give In December

"The CFOI Board having taken this **Financial Vision**...prayerfully breathed wholeness into it... And seeing the vision northward... eastward... southward... westward... The next step is to give it to God... Rest awhile in doing the Lord's business while He works out the vision..." (From: Two or Three Gathered Together by Glenn Clark Applying the Vision... Relinquishment... Chapter 10)

PERU AND YOU IN 2012

10th International ~ 2012 ~ Peru!

Plan now for a once-in-a-lifetime, unforgettable vacation of sights, sounds, praise and beauty.

An International CFO meeting is amazing!

A fellowship of believers from every continent and culture bound together by Jesus' love. A prayer in Swahili stops your headache. You pray for someone from Asia whose mother is ill. You discover God is answering prayers all over the place.

The fellowship is outstanding. You discover that in Christ you don't have to know the language because the language of God is LOVE.

So start now to get your visas in place for our 10th International. **Jorge Gil** and his team of folks in Peru are busy with arrangements for a site and all of the associated details.

With our theme of
**'Following Jesus Christ ...
Our passion for the world'**

we pray and anticipate that this will truly be a time of both celebration and equipping for our future.

Colin Ray, Australia (past President of CFOI) has accepted the responsibility of Chairman for the event and is busy assembling his team and working out the details.
